Screenshots Web - Dashboard

The screenshot displays a music dashboard with a dark sidebar on the left and a main content area. The sidebar contains navigation links: Dashboard, Songs, About, Category, and Sub Category. The main area features a header with a menu icon, a music note icon, and a breadcrumb trail 'Home > Dashboard'. Below the header are three blue cards: '6 Songs', '2 Categories', and '4 Subcategories', each with a 'More info' link and a music-related icon.

Screenshots Web - Categories

The screenshot displays a web application interface for managing categories. On the left is a dark sidebar with navigation links: Dashboard, Songs, About, Category, and Sub Category. The main content area is titled 'View Category' and includes an 'Add Category' link. Below this is a table with two rows of category data. Each row contains a 'No' (number), 'Category' name, 'Status' (Enabled), and three action buttons: 'Disable', 'Edit', and 'Delete'. A settings gear icon is visible in the top right corner of the main content area.

No	Category	Status	Change Status	Edit category name	Delete
1	CD	Enabled	Disable	Edit	Delete
2	BOOKS	Enabled	Disable	Edit	Delete
